THE SKYTECH GROUP.COM

We are in the construction business since last 75 years and have a dedicated team of professionals and engineers. Our work speaks our quality. We undertake residential, commercial and industrial projects.

Legacy of our construction business starts from Year 1945 when our Great Grand father Late. Sheikh Abdul Rehman (Contractor) started work with British Govt. At IISCO Plant in KULTI & BURNPUR (WB.).

Late Sheikh Abdul Rehman did most of the Construction work of IISCO Plant in Kulti (India's first blast furnace plant) and in Burnpur , Staff & labors quarters/colony and other residential & commercial/Factory buildings in KULTI, BURNPUR & BARAKAR (West Bengal) (between 1945-1970).

Then our Grand father Late. Sheikh Manzoor (Contractor) joined Families construction business and worked with IISCO town department & with PWD to construct Dak Banglows, Residential Colonies for staff along with many other buildings & factories there.

Our Father Sheikh Washi joined families construction business in 1980'S and Constructed many Residential Buildings, Commercial Buildings, Farm Houses, Luxurious Villas, Hospitals Buildings, Hotels, School Buildings, & Factories etc. till date.

THE SKYTECH GROUP FOR BUILDINGS

We have a group of specific fields' specialists who are all around qualified and have long periods of involvement with building, planning, and conveying the quality ventures on schedule. As every one of them is spent significant time in new development, living by incomparable quality work is their obsession and point. These characteristics assist them with implanting the quality perspective since the enquiry till the finishing of the undertaking, which fabricate an extension among The skytech group and customers to consider the previous for another round of task.

OUR VISION

Be the world's premier engineering, construction, and project management organization by achieving extraordinary results for our customers, building satisfying careers for our people, and earning a fair return on the value we deliver.

OUR MISSION

Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team. Our mission is to be a dynamic team, providing the highest quality construction services available.
